

COMMUNITY FUNDRAISER
SALARY £24K PER ANNUM, 35 HOURS PER WEEK
12 MONTH CONTRACT

Are you an experienced Community Fundraiser looking for your next challenge?

Founded in 1921, 4Sight Vision Support is a Charity which supports & empowers visually impaired people living in West Sussex

We are looking for an outstanding candidate with knowledge, experience and a successful track-record gained from previous roles within the sector to join our Fundraising and Marketing team based at our Head Office in Bognor Regis.

You will be a Member of the Institute of Fundraising, have excellent communication skills and the ability to engage confidently with a wide range of audiences in order to successfully implement the Charity's Fundraising Strategy by growing income from all forms of local area fundraising.

This is a full-time position and will include some weekend and evening working and, as you will be expected to travel throughout West Sussex, you will need a car. In addition, the role will involve the requirement to transport equipment.

Candidates must have:

- Experience of working to obtain financial and in-kind support from organisations, corporates, individuals and fundraising groups.
- A sound knowledge and understanding of supporter/donor relationship management and the ability to nurture and sustain long-term fundraising relationships within the community.
- Budget and Project management experience; at least 3 years demonstrable experience within corporate and community fundraising.
- Experience of partnership working and effective event planning and delivery within the charity and private sectors.
- The ability to deliver and manage a sustainable income stream, in accordance with the Charity's strategic plan.

We are looking for an exceptional applicant who possesses a confident, bright and warm personality that builds trust and fosters a positive image of 4Sight Vision Support and of the visually impaired community of people we work with.

This role will operate with and around people of all ages and backgrounds, some of whom will be vulnerable. Excellent social media, presentation and communications skills are essential and good knowledge of all Microsoft applications is required.
