

4Sight Vision Support Summer Trips

As part of our Lottery Project, this summer, we are excited to offer our members day trips to various Sussex locations.

For further details and to register your interest in any of the following trips please call Naomi on: 01243 828 555.

Essential Information:

To keep everyone safe, we will be following the Covid-19 guidance in place at the time of the trips so participants may be requested to wear a face mask and implement social distancing and hygiene routines as directed by 4Sight Vision Support, the Venues and Government Guidance at the time.

Trips are for members and bookings will be on a first come first served basis.

As spaces for each trip are limited, we would be grateful if you could please only register for one event to enable as many people to get out and about as possible.

A registration form will be completed with you before the trip takes place to ensure your safety.

Unless otherwise stated, minibus transport will be provided with a central pick up and drop off point for each event, so you must be able to get to and from the arranged pickup points which will be confirmed when you book.

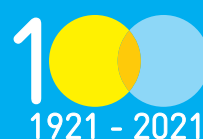

Please note all details of the events are subject to change due to amendments to the Government Roadmap Step 4.

We hope you will be able to join us on one of our days out and we look forward to seeing you soon!
