# NEW PRODUCTS & BEST SELLERS!

## DAYLIGHT TWIST 2 DESK LAMP

The new Twist 2 desk lamp is still lightweight, portable, and easy to use, but it now has a high-quality diffuser to reduce glare as well as adjustable brightness levels.

A contrasting stripe down each side of the lamp not only adds grip when you're holding it, but also helps you find it when turned off. The same contrast effect is used on the back of the lamp to make the power socket easier to find.

- 'Easy twist' shade (multi-directional shade to direct light)
- Product colour: White
- Adjustable brightness – 2,000, 1,500 or 1,000 lux at 30cm (12 inches)
- Size: 29.5 × 12.5 × 11.4cm (11.5 × 5 × 4.5 inches)
- Maximum reach: 15cm (5.9 inches)
- Cable length: 1.8m (71 inches)
- Weight: 1kg (2lb)
- Bulb lifespan: Up to 50,000 hours
- Colour temperature: 6,000k (daylight white light)
- Colour rendering index (CRI) of 95+ A high CRI not only ensures colours are more vibrant, accurate and true, but also guarantees an even light output which reduces eyestrain and improves contrast

**PRICE - £62.50**

## BT200 BIG BUTTON CORDED TELEPHONE

- Hands-free speakerphone
- Numbers measuring 2cm high
- Last number redial
- Three one-touch memory buttons
- Three-ring volume settings
- Speech amplification

**PRICE - £35.00**

## TALKING KITCHEN SCALE WITH EASY TO SEE JUG

- Male voice announces weight in kg/g or pounds/ounces and announces liquid volume in millilitres
- Large LCD display and tactile buttons
- Jug has an easy grip handle and bold markings
- Capacity 5kg/11lbs or 1300ml
- Powered by 2x AAA batteries
- Jug (DK199) and Braille tactile gauge (DK152-G) can also be purchased separately

**PRICE - £50.00**

## DAYLIGHT FOLDI - GO DESK LAMP

Portable, rechargeable full-size LED desk lamp that folds down to the size of a paperback book. Designed to remain at a constant brightness even when battery capacity is low.

The buttons have been designed to be easy to use. A contrasting colour and 'grippy' texture makes them easy to locate; they are raised and indented and provide a 'click' that can be both heard and felt when pressed.

- Adjustable brightness - 1,300, 1,100, 900, or 600 lux at 30cm (12 inches)
- Supplied with carry-case
- Long, adjustable arm with maximum reach of 30 cm
- Base size: 11 × 16cm (4.25 × 6.25 inches)
- Cable length: 1.5m (59 inches)
- Weight: 850g (1.9lb)
- Bulb lifespan: Up to 50,000 hours
- Rechargeable lithium battery. Charges fully in six hours
- Up to eight hours use from one full charge at lowest brightness; 3.5 hours at maximum brightness
- Battery power level indicator
- USB adaptor and cable included
- Colour temperature: 6,000k (daylight white light)
- CRI: 95+
- Power consumption: 5W

**PRICE - £72.50**

## **Ordering Information**

### **Placing your order**

Call us on: 01243 828 555. Monday to Thursday: 10am to 2pm  
Email: [sales@4sight.org.uk](mailto:sales@4sight.org.uk)

4Sight Vision Support, Bradbury Centre, 36 Victoria Drive, Bognor Regis, West Sussex,  
PO21 2TE.

### **Payment**

We accept Debit/Credit Card or you can pay via Cash or Cheque.

### **Special orders**

We may quote extended delivery times, outside of our standard terms and conditions for these products; for further details please contact us.

### **Our pricing**

All prices are subject to change and are correct at time of publishing.  
For the latest prices please call us on 01243 828 555.

All the money we make from selling products supports our vital work helping people with sight loss.

### **Buying from 4Sight Vision Support**

A contract starts between us when we accept your order. Your statutory rights are not affected by our terms and conditions.

### **Contacting us**

Call us on 01243 828 555 or email [sales@4sight.org.uk](mailto:sales@4sight.org.uk) if you have any questions or would like a copy of our terms and conditions.

## **Delivery**

We will make every effort to dispatch your order within seven to fourteen working days (special order items may be subject to a longer waiting period 6-8 weeks), subject to availability. We send many of our items by freepost under the "Articles for the Blind" scheme so you will not be charged postage. This free scheme offers no guarantees of delivery or insurance. For some heavy and high value items, and those containing lithium batteries, you may be charged a courier fee, which is included in the list price.

Packages from us will include an "invoice" which details your order. Check this against the actual contents and alert us within seven working days of receipt about any discrepancies. If you do not receive your goods, or are not advised of a delay, within 15 working days of placing your order, please contact us.

## **Right to cancel**

If you need to change details of your delivery address, remove items from your order or cancel it completely, please contact 4Sight Vision Support on 01243 828 555.

If your order has already been despatched or delivered, then you'll need to follow our Returns procedure in the event of any unwanted products.

4Sight Vision Support complies with all trading legislation covering consumer protection and distance selling. Therefore, you have the right to cancel your order before you have received the goods or within 14 days of receipt of goods. Once we have received the items back, we will refund the full purchase price to you (where applicable).

There are exceptions to returning some items if unsuitable, so please check the section Guarantee exceptions unless faulty below if in any doubt please speak to us. You will need to take care of the goods while they are in your possession and return them to us safely in a complete and saleable condition.

If goods are returned in poor condition, 4Sight Vision Support reserves the right to charge you for the purchased item.

## **Returning goods**

Contact us to return goods within:

- 14 days if they are not suitable
- we request you contact us within 7 days if goods are faulty or damaged on delivery

When you call us, we will log that your order is being returned. To help us deal with your return without delay, include your name and address inside the parcel.

We may ask you to return a product to one of our partners and we'll provide you with the information you need when you call.

All products are returned to us at your own risk and cost, unless faulty and within warranty. You are strongly advised to get proof of postage. If your return is lost in the post then you'll need to contact the carrier to pursue their claims procedure.

We do not refund the cost of returning unsuitable items via courier, but by doing so you are insured against loss or damage with them.

Where a product is delivered by one of our preferred partners and you want to return it you may be charged a courier fee due to the weight.

### **Faulty goods**

Products are guaranteed for a minimum of 12 months. Some items have a longer guarantee (this is normally stated within the accompanying instructions); please ask if you would like more information. If your item is faulty, contact us within this stated guarantee period from the date of purchase). We will return it to the supplier who will assess the fault. The decision on action could be repair, replace, refund or return to you, if no fault is found. Outside of the guarantee period we may be able to advise you on repair services.

### **Guarantee exceptions unless faulty**

Some products cannot be returned unless faulty including:

- for hygiene and safety reasons; healthcare and kitchen items
- special order, bespoke products that are not part of our standard range and have been specifically built for you.

### **Complaints and feedback**

If you wish to make a complaint, provide feedback or get further information or clarification about a product or these terms and conditions, please contact us on 01243 828 555, or email [sales@4sight.org.uk](mailto:sales@4sight.org.uk).

You can also write to us at:
